MEMORANDUM FOR: Office of the Director (Mr. Evans)  
Deputy Director for Operations  
Deputy Director for Intelligence  
Deputy Director for Management & Services  
Deputy Director for Science & Technology

SUBJECT : Classification/Declassification of Information

STAT 1. All government departments and agencies are required to conduct an annual review of their own administration of directives on classification, downgrading, declassification and safeguarding of National Security information. In this connection, the Office of the Inspector General is involved in a survey to determine whether Agency officers with classification authority are complying with the guidelines established under Executive Order 11652, the NSC Directive of 17 May 1972, and [ ] We have prepared the attached questionnaire which we are asking you to forward to your operating components. It would be helpful if we could have their responses no later than 28 February 1974.

2. It is important to note that substantive intelligence and cable traffic are not relevant to the survey, and responses to the questionnaire should therefore exclude these categories.

3. The Inspection Team will also conduct random interviews in each Directorate and will spot-check files as necessary to complete the survey. It is not the intent of this survey to identify specific classification abuses.
